CARE & MAINTENANCE

flexible hose shower kit with
slide bar and separate water
outlet square

For best results, keep the following in mind to retain the high quality finish of your artos[®] shower kit:

- Use a soft, dampened sponge or cloth. On no account should you use an abrasive material such as a brush, scouring pad or steel wool to clean surfaces.
- Test your cleaning agent solution on an inconspicuous area before applying to the entire product.
- Wipe surfaces clean and rinse completely with water immediately after applying cleaning agent.
- An ideal cleaning technique is to rinse faucet thoroughly and blot dry any water from the surface after each use.

LIMITED LIFETIME WARRANTY

artos[®] shower kits are guaranteed for life against leaks and finishing defects for as long as the original purchaser owns it.

Damage caused by accident, misuse, abuse, improper installation, improper cleaning or alteration will void the warranty. This warranty does not cover replacement parts where damage is caused by normal wear and tear. Westover, Inc is not responsible for labor charges, installation or other incidental or consequential costs. Proof of purchase must be provided with all claims.
