

MODEL NUMBER:

□ 4803300 Pull-Down Dual Spray Kitchen Faucet
Stainless Steel, Chrome, & Matte Black Finish.

GENERAL DESCRIPTION:

Thoughtful design makes all the difference in the presence and performance of the Studio S Pull-Down Dual-Spray Kitchen Faucet from American Standard. Contemporary cylinder profile is 18-in. tall creating a focal point and allowing ample room for filling large pots with ease. The pull-down spray head is easy to grasp and change spray functions from stream to a powerful spray. Unique raised single handle lever provides drip-free performance and adds distinction to your kitchen design.

PRODUCT FEATURES:

- High 18-in. design makes it easy to fill large pots and lends a professional look
- Wipe-clean, one-piece lever handle eliminates tiny crevices where build-up hides
- Dual-function spray head with pause easily toggles from a powerful spray to a smooth stream with one hand
- Re-Trax feature ensures smooth retraction of spray head after use
- Dock-Tite magnetic docking system secures the spray head in place
- Swivel spout rotates 360° for optimal reach and range of motion in and around the sink
- Rubber spray nozzles wipe clean easily with your fingertip
- Drip-free performance with high quality ceramic disc valve
- Durable brass and metal construction
- Pre-installed braided nylon supply lines
- Limited lifetime warranty

SUGGESTED SPECIFICATION

Single control kitchen pull-down faucet shall feature a high arc metal swivel spout and metal lever handle. Shall also feature 28 mm washerless ceramic disc valve cartridge and 38" flexible supply hoses. Faucet shall include Re-Trax Retraction System and Dock-Tite Docking System. Faucet shall be American Standard Model # 4803300._____.
