### DETAILS

The MINT.ONE intelligent toilet redefines intuitive design and adaptable technology. This award-winning intelligent toilet is equipped with the latest smartware technology customize your MINT.ONE functions with the swipe of a sensor or click of a button.

The MINT.ONE is paired with the Kirin flushing system. This tankless design and powerful flushing efficiency lends to the MINT.ONE one-of-a-kind water conservation benefits and eliminates the need for unnecessary ceramic (a reduction of more than 25% less materials than traditional toilets)
