

0397 SWL FLUSH CUP HANDLE & RING PULL FOR MORTISE LOCK LATCHES WITH SWIVEL SPINDLE

ESTATE PORTFOLIO

Model Number:
0397.050.SWL

SEE BELOW FOR ADDITIONAL FUNCTIONS

Key Features

- ✓ Flush Ring Pull is crafted with solid forged construction for maximum strength and durability.
- ✓ 3.5" x 3.5"
- ✓ Recommended for marine use and where flush installation is essential.
- ✓ Oxidized to add the subtle elegance of ebony with variations typical of its handcrafted finish, the lacquer coating of Satin Brass & Black preserves its artistic effect.
