

## The Latest Technology

When it comes to technology, BrassCraft Mfg. Co. has consistently led the industry. We understand the benefits of electronic commerce, and are constantly striving to implement the latest technologies to serve you better.

### EDI System

Saves time and helps ensure order accuracy by electronic order submission through our EDI (Electronic Data Interchange) system.

### SureCount™ Verification

Our SureCount™ shipping verification system improves efficiency in the distribution stream and helps reduce your receiving costs. Using state-of-the-art bar code technology, we verify outbound shipments to help eliminate the need to double-check the shipment, saving you time and money.

### ROA Interface

BrassCraft's Remote Order Access system helps enable you to:

- Perform order entry and confirmation
- Check order status and ship dates
- Access invoices and packing slips
- Print packing lists
- Track shipments
- Online proof of delivery

### Interactive Web

The streamlined, user-friendly site provides detailed information on the growing range of BrassCraft® plumbing supplies. Our website can be used with most handheld devices including feature phones, smart phones and a wide range of tablet computers.

## The Professional's Choice®

When it comes to customized products to meet code or job requirements, BrassCraft Mfg. Co. offers a wide range of stop variations including metal stems, lock shields, stuffing boxes, and handle options. So when you need water supply products for any project,

small or large, specify the brand that professionals worldwide have trusted for over 70 years — BrassCraft®.

## The Best Service in the Industry

What good are the best products in the industry without the best service? We match our high manufacturing standards with an equally high standard for customer service. When you call BrassCraft Mfg. Co., you're our number one priority. Our sales and service team is ready to

answer your questions and fill your orders promptly and courteously.
