

# Installation Instructions

## 782 Adjustable Tilt-Frame Mirror

**! IMPORTANT:** Adequate in-wall backing must be provided by installer to fully support the weight of the mirror.

*NOTE: Refer to Figure 1 when installing the mirror.*

1. Position the mirror at the desired location on the wall and mark the top and side locations of the mirror on the wall.
2. Measure and mark the locations on the wall for the bottom hinges.
3. Measure and mark the locations on the wall for the hinged arms on the top of the mirror.
4. Secure the lower hinges to the locations marked on the wall with the #10 screws provided.
5. Secure the hinged arms to the locations marked on the wall with the #10 screws provided.
