

#1306-WH-1-EL Shown

## EQUAL Double Console Sink

#1306 | 52 1/8" x 20 1/2" x 7 7/8"

Designed in collaboration with Claudio Bellini. Equal represents the equilibrium between the rational and the sensual. It employs basic geometric forms obsessively shaped by simplicity, embracing at the same time natural organic forms. Through the ordered, edgy but still rounded and soft forms, Equal creates the ultimate bathroom harmony.
