

CRYSTORAMA LIGHTING

ASSEMBLY INSTRUCTION MODEL #KLN-5208-LG

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electrical codes.

You will need 6- Cand. base Bulb
40 Watts Recommended 60 Watts Max
USE LED BULBS FOR EXTENDED USE

THIS FIXTURE IS DAMP RATED

How to Install

Please place all the parts on the soft cloth covered table top during the installation of the fixture.

1. Hang one end of the decorative chain to the frame and the other end onto the loop kit.
2. Install the mounting bracket onto the outlet box.
3. Decide the preferred hanging height and choose the correct length of chain needed.
4. Raise the fixture up to the ceiling and do the wire connection. Secure the canopy using the collar ring.
5. Remove the ball nuts from the frame. Starting from the inner tiers (the tiers ring with the short studs), place the ceramic butterfly and plastic washers over the stud and secure it with the ball nut. Please do not overtighten it to prevent it from breaking.
6. Place one butterfly and washer over the stud on the bottom of the frame and secure with the short rod. Place another butterfly and washer over the short rod and secure with the ball nut.
