Buko Rectangular Mirror

1000-0099

Overall: 50.5"h x 35.5"w x 2.25"d

Finish: Straw/Natural Abaca Rope/Coco Shell/Mirror

Materials: Wood/Abaca Rope/Coco Shell/Glass

Item Weight: 48 lb

The Buko Rectangular Mirror is so subtly nautical, it will be right at home in a more formal interior than many sea-inspired designs would. Abaca rope hems the inside and outside edge of the frame that is set with discs cut from coco shells. The round decorative mirror is one of a number of shell mirrors in Currey's collection.

We also offer the Buko as a rectangular mirror.
