Watts per Socket / Item: 60 / 60

The Wright Small Outdoor Wall Sconce in our Twelfth Street collection of outdoor lighting is similar to our Tanzy sconces but with an added armature surrounding the fixture to bring it an arts and crafts feel. It features a high-performance, weather-resistant Trilux finish that is fade resistant, crack resistant and rust resistant. We guarantee the finishes applied to our Twelfth Street pieces for five years. The metal on this black wall sconce in a midnight finish surrounds seeded-glass panes. It is certified for outdoor and damp locations, and we offer it in several sizes.
