A masterful mix of materials describes the Bruneau Brass Wall Sconce. From the cloudy alabaster panel affixed to the wall plate, the metal in a warm antique brass finish, and the soft glow of the opaque glass shade, the layering of this design is sophisticated. The strap-like circlets that fasten the shade to the wall plate on this gold wall sconce is a design detail worth noting. We also offer the Bruneau in polished nickel and oil-rubbed bronze finishes, each of the sconces certified for damp locations.
