A masterful mix of materials describes the Bruneau Bronze Wall Sconce. From the cloudy alabaster panel affixed to the wall plate, the metal in a warm oil-rubbed bronze finish, and the soft glow of the opaque glass shade, the layering of this design is sophisticated. The strap-like circlets that fasten the shade to the wall plate on this black wall sconce is a design detail worth noting. We also offer the Bruneau in polished nickel and antique brass finishes, each of the sconces certified for damp locations.
