### Hand Shower Spray Pattern

◆ Your Delta Faucet hand shower incorporates a backflow protection system that has been tested to be in compliance with ASME A1 12.18.3 and ASME A1 12.18.1/CSA B125.1. It incorporates two certified check valves in series, which operate independently and are integral, non-serviceable parts of the wand assembly.

Delta reserves the right (1) to make changes in specifications and materials, and (2) to change or discontinue models, both without notice or obligation. Dimensions are for reference only. See current full-line price book or [www.deltafaucet.com](http://www.deltafaucet.com) for finish options and product availability.
