Turn off faucet handle, unclip the adapter (1). Remove the hose weight (2). Pull wand and hose out of faucet.

Si la herramienta no desacopla el imán, utilice un destornillador para apalancar el imán del surtidor.

Si l'outil ne libère pas l'aimant, utilisez la lame d'un tournevis pour extraire l'aimant du bec.

NOTE: Extra replacement magnets are included if the new installation requires multiple attempts.

NOTA: imanes de repuesto adicionales se incluyen si la nueva instalación requiere múltiples intentos.

NOTE : Des aimants de rechange supplémentaires sont inclus si l'installation peut nécessiter plusieurs tentatives.
