

Easy Drain[®]
by ess

S-line Shower board

Easy Drain shower Board S-line is suitable for both new installation and renovation projects. Each side of the shower board can be shortened up to 35 inch and is coated with special plastic mortar mix, that can be tiled immediately, to ensure a 100% watertight installation. Easy Drain S-line Shower Board is supplied as a complete set including; S-line shower drain (reversible grate), trap body, sloped shower board and sealing set.

ADVANTAGES

- Tile Adjustable Frame - Height adjustable 1/4" - 3/4"
- Trim - Height adjustable grate
- Trim - Reversible grate (Tile or Zero brushed look)
- Custom Length - Can be shortened on site
- Slope - Easy slope creation without mortar or cement
- Rough material - stainless steel
