

## Crystal CLV120-33 Stainless Steel

Franke's Crystal series is utterly flawless with its clean lines, hidden drain design and coordinating faucet, featuring a sleek glass base which cleverly obscures the drain. It's more than beautiful and beyond stunning. Expert performance meets artistic flair in Crystal's functionality. Designed with beauty in mind, water cascades along a durable, removable drain cover of the sink as it disappears into the invisible drain. Available in stainless steel, white shatterproof glass, or black shatterproof glass, this drain cover is easily removed for cleaning, and sits perfectly in place in the sink.
