

Crystal FFPD4611 Polished Chrome

Franke's Crystal faucet features a high arch, a sleek glass base and is available in black glass, white glass or pristine stainless steel. The flexible metal spring hose provides maximum flexibility reaching every corner of the sink. The strong magnetic holder always keeps the flexible hose in the correct position after every use. She is water conscious— Crystal's faucet meets California standards for water conservation, 1.75 GPM. She's expertly built with sharp lines, sleek corners, a coil cord, and a soft spray that never bruises fruits or vegetables.
