GROHE

**Product Description:**

**CARRE**

**Single-handle Pull-down Kitchen Faucet**

**Standard Specification:**

Includes GROHE SilkMove cartridge, which delivers smooth, effortless control of the water flow and temperature and a lifetime of maintenance-free operation

GROHE StarLight technology produces a flawless, long-lasting surface that resists dirt and scratches, requires little maintenance and will retain its beauty through a lifetime of use

Pull-down spray head allows for easy switching between an aerated stream for regular washing and a vigorous spray function for heavy-duty cleaning  
Spray head has GROHE SpeedClean nozzles, which require only a quick wipe of a hand or cloth to remove limescale and keep the faucet functioning optimally

Swivel spout rotates 360 degrees for maximum coverage and accessibility

EasyDock guarantees easy retraction and smooth docking for your pull-down spray head, every time.

Forward rotating lever allows ample range of motion without backsplash interference  
Features GROHE Comfort Height for easy filling of large pots

Includes optional deck plate and soap dispenser for a 1, 2, 3 or 4-hole installation

Backed by the GROHE Limited Lifetime Warranty

GROHE Ecojoy 1.8 GPM flow rate conserves water without sacrificing performance
