

TRACK JOINER
300.3747.BLK

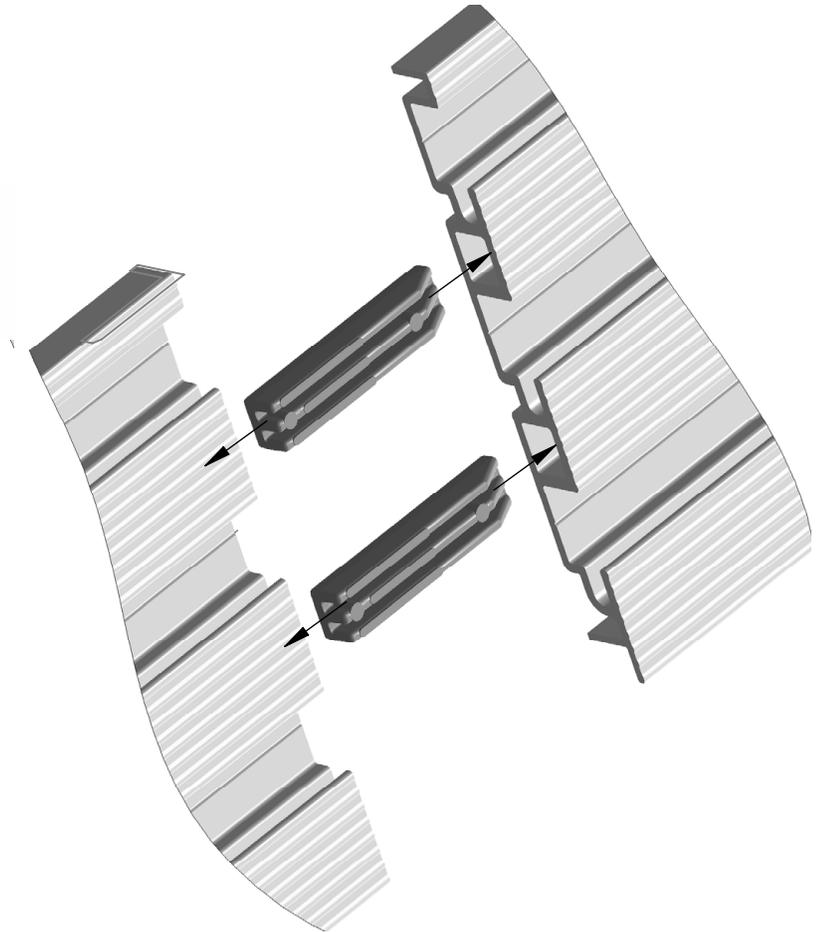

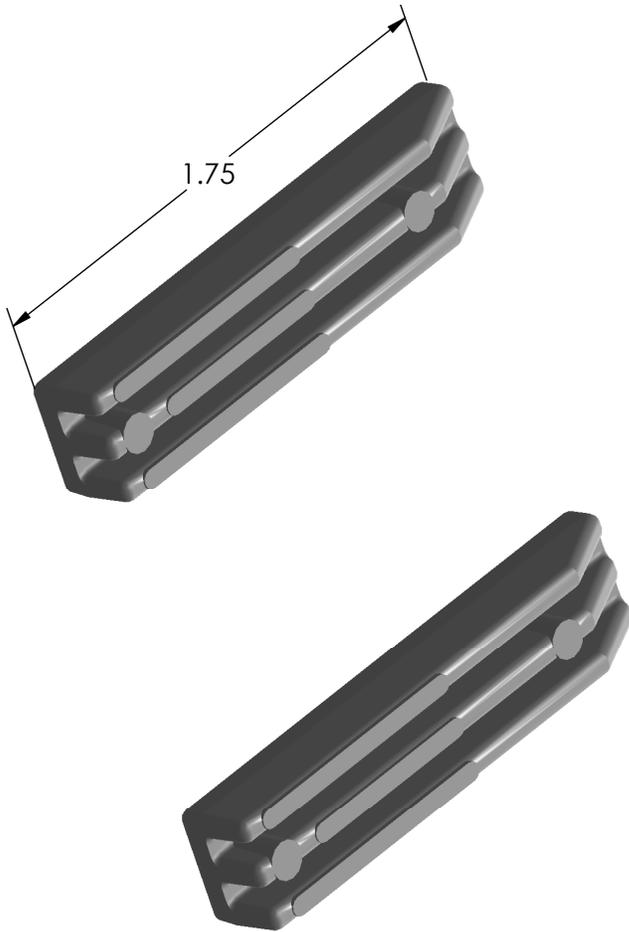

DESCRIPTION & SPECIFICATIONS

The Track Joiners connect track panels horizontally so that track configurations can be created in custom widths.

SIZE & CAPACITY | One Size

AVAILABLE FINISHES | ●

Black.

INSTRUCTIONS & SPECIFICATIONS

STEP 1: Insert each end of the Track Joiners into the enclosed channels of two sections of Track Panel.

- No additional hardware required to mount.

FINISH	CODE (FIN)
BLACK	BLK

**TRACK SYSTEM
MATTE ALUMINUM/WHITE**

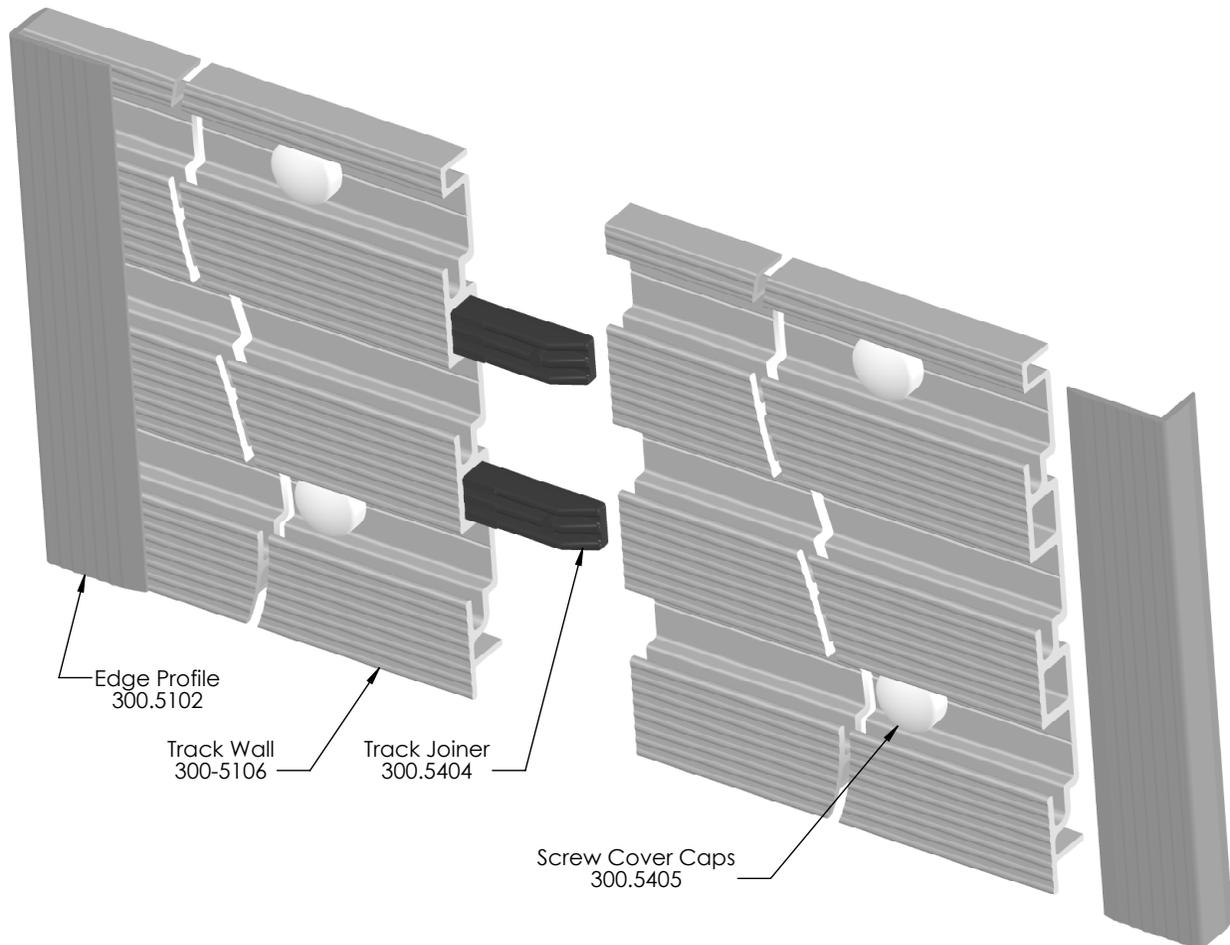

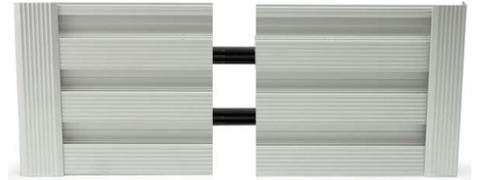

DESCRIPTION & SPECIFICATIONS

The TAG track system is the perfect solution for organizing your garage, office, closet and other areas with specialized hooks. The track replaces the outdated and unsightly pegboard system with functionality and aesthetics.

AVAILABLE FINISHES

Matte Aluminum, White.
