## Blot-O™ PLUS Fuel Oil Absorber

Date: August 2017

**Blot-O Plus** is a highly absorbent material utilizing a unique recycled paper material and specially selected clays to absorb more fuel oil per volume than any other absorber in its class. Sweet fragrance helps eliminate odors.

Used to clean up spills and leaks of gasoline, fuel and other oil. This product is not powder based and will not leave dusty particles in the air.

Apply **Blot-O Plus** by sprinkling on spills, leaks, tank overflows, and oil burner drips. Sweep back and forth until the spill is fully absorbed. Dispose of used material according to local codes. **Blot-O Plus** is non-toxic.

## APPROVALS & LISTINGS

Not applicable.

## SPECIFIC USES

**Blot-O Plus** can be used to absorb fuel oil spills in industrial applications.

## SPECIFIC APPLICATIONS\*

Apply Hercules Blot-O Plus to spills and drips of fuel oil, oil and other petroleum products.

\*For special applications which may not be covered on this or other Oatey literature, please contact Oatey Technical Services Department by phone 1-800-321-9532, or fax 1-800-321-9535, or visit our technical database web-site at [www.Oatey.com](http://www.Oatey.com).

## DIRECTIONS FOR USE

---

Sprinkle **Blot-O Plus** on fuel oil spill, wait for oil to be absorbed, then sweep material back and forth over spill. Dispose of all material when all oil is absorbed.

## PHYSICAL PROPERTIES

---

Specific Gravity: N/A  
Solubility in water: Insoluble  
Temperature Limitations: 350°F  
Appearance and color: Grey granules with perfumed scent

## WARNINGS OR CAUTIONS

---

- Read all cautions and directions carefully before using this product.
- Avoid contact with eyes and skin.
