

PRODUCT SPECIFICATION DRAWING

Hydroflame Pro Series - Shower Drain Sleeve

The HOLDRITE® Hydroflame Pro Series "Shower Drain Sleeve" (#HFP-SH2-DRN) is ideal for 2 drain bodies that are recessed into the concrete floor, such as with a shower pan or shower stall. This is a UL Listed Firestop Device that includes a water-tight mid-body seal and built-in firestop materials. The Sleeve is adjustable in height for slabs 5" and thicker and provides a 3-hour F-rating. Optional "CD Plate" can be used when mounting to metal pan deck forms. Upper assembly includes a styrofoam insert pad, to block concrete during pour.

Product Information:

- Material:
 - Main Sleeve Body, Base & Drain Receiver: Polypropylene
 - Mid-Body Seal: Thermal Plastic Rubber (TPR); Mold & Fungus resistant per ASTM G-21.
 - Firestop Material: UL Listed Intumescent Composite
 - Insert: Styrofoam
- Patented & Patents Pending
- See Hydroflame Pro Series Installation Instructions, Best Practices documents and the latest UL Fire Resistive Directory file (R25101) for details.
