

BRUCEVILLE

4917-HB

The Bruceville family distills a traditional lantern design into a simplified silhouette. A pronounced, chimney-like canopy anchors the design with a slotted gallery that introduces visual interest. From the metalwork to the opal glossy glass shade, the design flows as it tapers in and flares out. The pendant's distinctive chain linkage adds a nautical note, echoed by the Heritage Bronze finish. Available as a flush mount in two sizes and as a pendant in two sizes.
