HUDSON VALLEY LIGHTING

Sunnybrook reimagines industrial modular lighting through the lens of natural materials. Individual alabaster shades with wing-like extensions are stacked along a minimalist Aged Brass backplate, creating a totemic vertical composition. Available as a 1-, 2-, or 3-light sconce, Sunnybrook comes to life when illuminated, revealing the stone's unique veining and tonal variation.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
