For Immediate Release  
July 5, 2016

## NOW AVAILABLE - 1 GALLON BOOS BLOCK MYSTERY OIL

Effingham, IL - John Boos & Co. just announced the new product release of their 1 gallon Boos Block Mystery Oil. This new 1 gallon provides commercial and residential customers eight times the amount of oil than their standard 16 fl oz bottles. With proper care and maintenance, the Mystery Oil will help prevent wood butcher blocks, cutting boards, countertops and wood utensils from drying, bleaching or cracking. It easily absorbs and penetrates deeply into the grains of the wood to help protect and revitalize the wood fibers. It is highly recommended to oil any wood surface a minimum of once a month depending on the use and household conditions. Boos Block Mystery Oil is NSF certified and contains all natural food ingredients for a safe food preparation surface.

For more information on how to purchase, contact a John Boos dealer or rep by visiting us online at [www.johnboos.com](http://www.johnboos.com) or email [sales@johnboos.com](mailto:sales@johnboos.com).
