JDSP548HM

Signature Features

34 RANGE CONFIGURATIONS

With 34 total range configurations, it's up to you. Infused with chrome, our griddle cleans up well after heavy usage. Fire up the grill for indoor entertainment on your terms.

CAST IRON GRATES

Robust geometric grates form one graceful surface, crafted to withstand heavy woks and cookware.

DUAL-STACKED POWERBURNERS

Two stacked, symmetrical flames bloom and retreat at your inclination, offering total control over heat levels. High-heat searing and wok cooking. Low, slow simmer and melt. Infinite intermediate settings satisfy every appetite.

SEAMLESS TOUCHES

Seamlessly designed. Concealed details melt into their stainless steel surround, as dark interiors and glass expanses pull you in.

HALO-EFFECT KNOBS

A halo of luminary LEDs glows softly when the burner is lit or the oven is on.

CHROME-INFUSED GRIDDLE

Cast off porous, superficially plated options. Go deeper. Infused with chrome, our griddle cleans up well after heavy usage.

GLIDE RACKS

Smooth moves. Each rack glides in and out fluidly and quietly, featuring flat tines for peak aesthetics. Range includes two glide racks with a third rack available at no additional cost upon request¹.
¹Please contact 1-800-JENNAIR to request a third rack.

CINEMATIC LIGHTING

Lights, camera, cook. Halogen lighting increases to full intensity, minimizing shadows and dramatically showcasing food.

DUAL-FAN TRUE CONVECTION

Steady heat, circulated by whirling metal blades, weaves around every flat tine. Beyond baking, wield your cooking prowess with the help of the culinary center through the app, from marbled meats to succulent roasts.
