Features

- Module characterized by a uniform and refined look that blends with all collections
- This Support Filler Module increases the support surface of the grill or burner and therefore allows the installation of a grill at the end of a configuration.
- Self-standing cabinets that can be installed in island (option: closed back), backed to a wall or recessed
- Elegant brushed finish
- Modular system gives the flexibility to create the ideal outdoor kitchen
- Simplified clip system for cabinet assembly
- Ambient lighting integrated at toe-kick optional
- Easy installation of your choice of countertop thanks to the solid top of the cabinets (work surface not included)
- Superior corrosion resistance: Grade 304 stainless steel (18/10) (option: grade 316 (recommended for salt environment))
- Adjustable stainless steel feet, 1 of which allow anchoring on the ground
- Delivered fully assembled
- Made by hand in Canada
- Included: Clip-on toe-kick

Warranty

Home Refinements offers a LIMITED LIFETIME WARRANTY on the fixed components of its stainless steel cabinets as well as a 2-YEARS LIMITED WARRANTY for all mobile parts and hardware (Hinges, slides, locks) against defects of material and workmanship all of which is applied following the purchase date. This warranty is limited to defects or damages resulting from a normal residential use. For further details on our product warranty, please refer to our catalog or Web site.
