Warranty

See website for detailed warranty information.

KOHLER® One-Year Limited Warranty

Material

- Durable brass construction

Technology

- Dual-flush zone timing detects user proximity and defaults to 1.0 gpf (3.8 lpf) for detection under 60 seconds and 1.6 gpf (6.0 lpf) for detection over 60 seconds. Feature can be adjusted up to 120 seconds or disabled entirely by approved tech professionals using Cortex™ mobile app. If disabled, flush valve will deliver 1.6 gpf (6.0 lpf) with every activation
- Flex sensing technology provides accurate activation and flexible adjustability of several different parameters by approved tech professionals using Cortex™ mobile app or Cortex-connected ecosystem
- Connects wirelessly to KOHLER® commercial connected systems (sold separately), or by approved tech professionals to Cortex™ mobile app for individual adjustment. Please contact info@kohlercortex.com for more information
