

## Essential Ultrabright

22" x 34" rectangular lighted mirror

**K-38023**

### Features

- Unique LED design directs light to the user to provide 3x brighter task lighting than standard lighted mirrors
- Optical design ensures consistent lighting with no hot spots or dark spots.
- Brightness adjustable from 10 – 2100 lumens to provide optimally bright bathroom vanity lighting for applying makeup, shaving, and helping you look good
- 3500 Kelvin light appearance delivers a neutral white light ideal for overall bathroom aesthetics as well as tasks
- Minimum 90 CRI (color rendering index) lets you see yourself in the truest light for makeup application, grooming, and skin care
- Integrated LED bulbs have an estimated life expectancy of 59,000 hours
- Compatible with standard light switches, with programmable recall setting to return to preferred brightness when switched on
- Brightness control allows for four settings to be adjusted at the mirror with external switch (10, 200, 500, 800 lux)
- Plugs into wall outlet or can be hardwired
- Not compatible with dimmer switches
- Can be mounted vertically or horizontally

### Installation

- Includes mounting hardware for surface installation
- Hang-and-secure mounting system for easier surface-mount installation

### Codes/Standards

UL 962  
CSA C22.2 No. 0

### KOHLER® One-Year Limited Warranty

See website for detailed warranty information.

# Essential Ultrabright

22" x 34" rectangular lighted mirror  
**K-38023**

## Required Electrical Service

One circuit required.

Defogger, Lights: 120 V, 0.42 A, 50/60 Hz

## Technical Information

All product dimensions are nominal.

Lighting included: Yes

Electrical component Defogger: 50/60 Hz, 15 W  
rating: LED: 50/60 Hz, 28 W

## Notes

Install this product according to the installation instructions.
