

# Cimarron® Comfort Height®

two-piece round-front 1.28 gpf toilet  
K-3887-UR

## Features

- Two-piece toilet.
- Round-front bowl offers an ideal solution for smaller baths and powder rooms.
- Comfort Height® feature offers chair-height seating that makes sitting down and standing up easier for most adults.
- Insuliner® tank liner minimizes condensation on the tank when exposed to high humidity.
- 1.28 gallons per flush (gpf).
- 2-1/8-inch glazed trapway.
- Right-hand Polished Chrome trip lever included.
- Combination consists of the K-4347 bowl and the K-4166 tank.
- Coordinates with other products in the Cimarron collection.

## Technology

- Single-flush gravity uses the force of gravity and a precision-engineered tank, bowl, and trapway to create a strong siphon during flushing.
- AquaPiston canister allows water to flow into the bowl from all sides (360 degrees), increasing the power and effectiveness of the flush.
- Flush valve's 3:2 ratio harnesses the natural force of gravity and optimizes flush performance.
- Durable canister design has 90% less exposed seal material than a 3-inch flapper, for leak-free performance.
- Light-touch canister flush requires a lower actuation force than a flapper.
- AquaPiston canister flush valve optimizes flush performance and resists warping and deterioration.

## Installation

- Standard 12-inch rough-in.
- DryLock™ System saves installation time and helps prevent water leakage.
- Seat and supply line not included.

## Water Conservation & Rebates

- WaterSense® toilets meet strict EPA flushing guidelines, including using at least 20 percent less water than 1.6-gallon toilets.
- Eligible for consumer rebates in some municipalities.
