

Wellworth®
Toilet tank, 1.28 gpf
K-4841

Features

- Three preinstalled tank bolts save installation time
- 1.28 gpf high-efficiency toilets provide significant water savings of up to 16,500 gallons per year versus an old 3.5-gallon toilet without sacrificing performance
- Qualifies as an HET(High-Efficiency Toilet). Consumer rebates are available in some municipalities
- Left-hand Polished Chrome trip lever
- KOHLER's canister flush valve harnesses the natural force of gravity and optimizes flushing performance
- Class Five® canister optimizes the flow out of the tank, harnessing gravity and the natural, powerful reducing cascade of water to increase the power and effectiveness of the flush
