D101-D720	Decorative Drains

INSTALLATION

Drain should be installed first. A conversion kit for drain installation is provided with each sink with 1.5" drain opening. Cuts in countertop are up to the discretion of the installer. Clips or other installation method must be provided by the fabricator / installer. Use the actual sink as a cutting guide.

Use 100% silicone to adhere sink to countertop. Clean any excess silicone from sink surface.

CARE

This sink has a living finish which will change with time and use. Use mild soap and water for everyday cleaning. Avoid any harsh abrasives, acidic products and antibacterial hand soap. A paste wax should be applied periodically to protect the finish.

WARRANTY

Linkasink warranties our product to be free from manufacturing defect for the life of the product. Warranty does not cover abuse or negligence.

DIMENSIONS WILL VARY

DO NOT use this sheet as a guide for countertop cuts. Due to the handmade nature of each product, templates are not provided.
