MATERIAL
Pewter

AVAILABLE FINISHES

English Pewter (FEP)

English Pewter (FEP) - Our genuine (lead-free) pewter is an ideal material for the home, with a distinctive warm and tactile feel. Authentic pewter has natural anti-corrosion properties, not to be confused with coated or plated pewter products. As a living finish, genuine pewter will over time take on a natural patina. The original finish can be restored with an application of a non-abrasive silver polish.
