

RD ROUND BACKPLATE

RD Round Backplate in Medium White Bronze (WM) 1 3/4" diameter

MATERIAL
Bronze

AVAILABLE FINISHES

Medium White Bronze (WM) - Our White Medium (WM) products are produced from an alloy known simply as white bronze, which is subjected to a mild oxidization process to create a pleasing pewter-like color. White medium is a living finish and may oxidize (darken) over time, particularly if installed outdoors.
