Garbage Disposal Flange Installation Guide

1. Remove the basket strainer from the garbage disposal flange by pulling the basket strainer out of the flange.
2. Apply a large amount of plumber's putty around the sink opening, then press the flange firmly into place.
3. Remove any excess putty around the sink opening.
4. Slip your garbage disposal mounting ring over the flange under your sink and follow your garbage disposal models instructions.
5. Insert Basket strainer into flange.
