- Marine Grade 316L machined stainless steel construction
- Unique concept with telescopic spout that slides up and down combined with control positioned on the head of the tap.
- The positioning of the mixer allows to regulate water flow and temperature while directing flow with the same hand, in a single swift movement.
- The handle positioned on top of the sink avoids dripping with wet hands on the countertop.
- The Nemo RHA is a single hole kitchen mixer, ideal for installation in front of a window.
- Rotates 210°.
- Flow rate: 1.75 GPM at 45 PSI in conformity with CalGreen and WaterSense requirements
- Fully recyclable
- 100% lead free – the ideal choice for your drinking water
- Areas of application: Indoor & outdoor
