## Technical Information

No apron available on this model  
Note: Install this product according to the installation guide.

Installer Note: Due to the freeform shape of the tub shell, it is recommended that the tub be on the jobsite before making the final cut-out for drop-in installation.

Pump locations are shown for clarity. STD-standard pump location.  
ALT1-alternate pump location.

Note: Rough-in measurements may vary 1/4" (+/-).

These dimensions are nominal and subject to change without notice.

When tested for compliance to the requirements of ASME A112.19.7M for "Whirlpool Bath Appliances" and ANSI Z124.1.2M "American National Standard for Plastic Bathtub and Shower Units", the tested units are found to comply and are acceptable for listing under IAPMO R & T.

Certified for permanent electrical connection only.
