- The customizable Incline undermount sink is available in bowl lengths ranging from 20" up to 50". There are 2 bowl depths (widths) to choose from: 13" or 15". **Indicate both length and width in the boxes below on Fig. 1.**
- Size ranges in the pricing chart denote the interior bowl length and depth. There is a 1" lip that extends beyond the bowl on each side for undermount installation. Please check the box next to the the part # in the chart below (Fig. 2) that corresponds with the desired interior bowl dimensions.**
- Sink includes an ABS drain trap and brass drain in chrome finish for rear slotted drain. This worksheet and pricing provided below are for the custom Incline undermount bowl only. Plan to install wall-mount faucets or install behind the sink bowl on customer supplied countertop. Undermount hardware is not included, however the undermount lip will accommodate readily available undermount clips. Detailed installation instructions included.
- To receive a freight quote for MTI Baths' customizable Incline Counter-Sink, email specifications to [quotes@mtibaths.com](mailto:quotes@mtibaths.com). For the custom Incline undermount bowl shown here, send this completed worksheet, along with purchase order, to MTI's Order Entry Department.

**Fig. 1**

**Top View**

**NOTE:** Due to the handcrafted nature of this product, there is a ±1/4" tolerance on all dimensions. Always measure actual product for cut-out accuracy.

**Rear View**

3/8" routed channel accommodates most undermount sink clips.
