## Archie

Rejuvenate home décor with the timeless Archie three-light bath. A triplet set of double, prismatic glass shades are held in linear fashion by curved arms outfitted in a Vintage Brass finish. A simple bar, adorned by two vintage-style knobs on both of its ends, affixes the piece to a simple, round backplate. This time-honored fixture makes a lovely addition for eliminating shadows above a bathroom or dressing table mirror, in a hallway, or wherever focused light is desired in farmhouse and transitional interiors.
