## Adley

Foster an atmosphere of positive energy and renewal with the Adley two-light bath. A dynamic duo of clear glass shades are given their own distinct space by a Brushed Nickel bar attached to a curved backplate. The twins are ideal for illuminating a bathroom or vanity setting in traditional and transitional interiors.

- Perfect for adding ambient lighting to bathroom and vanity settings
- Backplate has a graceful, beveled detailing and is attached to a simple bar holding the glass-shaded lights
- Finished in a subtly reflective Brushed Nickel for an elegant matte texture
- Mount on a wall on either side of a mirror to eliminate shadows on the face when getting ready for the day or for a night out
- A sophisticated choice for New Traditional and Transitional settings
- Can be displayed individually or in groups of two or more
- Can be mounted facing up or down
- Measures 13-7/8 in width X 7-5/8 in height, extends 6 in, H/CTR 5-3/8 in
- Uses two 60-watt max medium base bulbs, or LED equivalent, that are sold separately
- Includes installation instructions and mounting hardware
- Progress Lighting products are designed for exceptional quality, reliability, and functionality
