

## 1000 2 99 2

### in2aqua 4-port pressure balance valve, with diverter, with in2itiv rough-in mounting system

- German Quality, Engineering & Design
- Go Pro lifetime faucet & finish warranty
- Built-in service ball stops for convenience
- Designed to prevent cross flow and reduce water hammer
- 1/2" NPT male-C x C universal connections
- Protection against scalding and cold water shock
- Diaphragm which compensates for water pressure fluctuations
- Temperature control within 3.6°F (2°C) of set point despite 50% water pressure drop
- Reversible cartridge allows back to back installation, eliminating additional piping
- Shallow valve body suitable for thin wall installations
- Automatic water reset to bottom port after shut-off
- Proven Tempress cavity technology reduces replacement parts and trouble shooting
- Flow rate: 6.5 GPM at 50 PSI / tub
- Flow rate: 5.3 GPM at 50 PSI / shower
- Approved to ASME A112.18.1, CSA B125, and ASSE 1016 standards
- Connection 1/2"/14 NPT
- Sound decoupled rough in according to DIN 4109
