**POUR PROTÉGER LE FINI DE VOTRE BASE DE DOUCHE /  
TO PROTECT YOUR SHOWER BASE FINISH**

**ATTENTION!**  
Suite à la finition des murs, attendez 24h avant l'installation de votre porte de douche. Ce temps d'attente permettra au silicone et au mortier de durcir suffisamment.

**WARNING !**  
Wait 24h before proceeding with the installation of the shower door. This will ensure that the silicone and mortar are both dry.

# GARANTIES WARRANTY

Dans le cas où la présente garantie est applicable, le produit sera remplacé ou réparé au choix de RUBI. Toutes réclamations devront être adressées au point de vente d'origine qui traitera avec RUBI par la suite.

In the event that this warranty is applicable, the product will be replaced or repaired at the option of RUBI. All claims must be addressed to the original point of sale who will deal with RUBI thereafter.

## PORTES DE DOUCHE / SHOWER DOORS

Les portes de douche sont garanties de 5 à compter de la date d'achat.

Shower doors are warranted for a period of five (5) years from the date of purchase.

## EXCEPTIONS / EXCLUSIONS

La garantie ne s'applique pas au mauvais fonctionnement, bris ou dommages résultant des causes suivantes : faute, négligence, abus, mauvaise utilisation, altération ou modification du produit par l'utilisateur, de même que la corrosion chimique ou naturelle, le feu ou tout autre cas fortuit ou de force majeure.

La garantie ne s'applique pas à l'équipement ou aux unités qui n'ont pas été installés et raccordés selon les instructions du fabricant et conformément aux règlements, codes et lois en vigueur régissant un tel travail.

RUBI n'est pas responsable des dommages directs ou indirects causés ou résultant de cas fortuits, pertes de temps, inconvénients, dépenses fortuites, frais divers, mains-d'œuvre, matériaux ou autres coûts relatifs à l'application de la garantie des produits et relatifs à l'enlèvement ou au remplacement d'équipement ou d'unité défectueux.

RUBI n'accorde, pour ses produits, aucune garantie de revente, aucune garantie spécifique pour un usage particulier, ni aucune autre garantie expresse ou implicite, tacite ou statutaire autre que celle prévue ci-dessus.

The warranty does not apply to misuse, breakage or damage resulting from the following causes: fault, negligence, abuse, misuse, alteration or modification of the product by the user, as well as chemical or natural corrosion, fire or any other fortuitous event or major force.

The warranty does not apply to equipment or units that have not been installed and connected in accordance with the installation steps of the manufacturer and in accordance with the regulations, codes and laws in force governing such work.

RUBI is not responsible for direct or indirect damage caused by or resulting from unforeseen circumstances, loss of time, inconvenience, incidental expenses, miscellaneous expenses, labour, materials or other costs related to the application of the warranted products and relating to the removal or replacement of defective equipment or units.

RUBI does not grant, for its products, any guarantee of resale, any specific warranty for a particular use, nor any other express or implicit warranty, implied or statutory other than that considered above.

## AVIS / NOTICE

L'acquéreur des produits faisant l'objet de la présente garantie à l'entière responsabilité de les installer et de les raccorder adéquatement. RUBI n'installe pas, ne supervise pas et ne prend pas les engagements pour de tels travaux. En conséquence, elle ne peut les garantir.

RUBI Recommande à tout acquéreur de ses produits de conserver le(s) numéro(s) de série.

It is the sole responsibility of the purchaser of the products covered by this warranty to install and properly connect them. RUBI does not install, supervise or take responsibility for such work. As a result, it can not guarantee them.

RUBI recommends to all purchasers of their products to keep the serial number(s).

## ATTENTION / CAUTION

Les produits RUBI sont soumis à des tests rigoureux et à de sévères critères d'inspection. Vous devez tout de même faire l'inspection de votre produits avant l'installation. Si votre baignoire comporte un défaut, ne pas l'installer et aviser votre détaillant immédiatement. Le fait de ne pas respecter cette consigne aurait pour effet d'annuler toutes les garanties applicables.

RUBI products are subject to rigorous testing and stringent inspection criteria. You still need to inspect your bathtub before installation. If your product has a defect, do not install it and notify your dealer immediately. Failure to do so would void all applicable warranties.
