

PRODUCT SUBMITTAL 501

Product: Steel Support Bend with Mounting Plate
Date: 15-October-09 (supersedes, 01-October-07)

Article No.	Description
266597	1/2" Steel Support Bend w/ Mounting Plate

TECHNICAL DESCRIPTION

Material	Zinc-plated Steel 18 Gauge thickness (0.050") Stamped and welded construction
----------	---

FUNCTIONAL DESCRIPTION

The support bend with mounting plate is ideal for attaching 3/8" or 1/2" RAUPEX[®] pipe at wall penetrations where pipe must be fastened securely to have a plumbing valve installed on the end. The steel mounting plate fits flush behind drywall, and can be screwed or nailed to a vertical or horizontal stud.

- Mounting holes are 1/8" diameter.
- The bend radius allows RAUPEX pipe to fit fully inside a 2" x 4" stud wall.
- The open end allows easy installation of 3/8" or 1/2" RAUPEX pipe.
