

ASSEMBLY INSTRUCTION**9HBD15**

HYGIENE SPRAY WITH PRESSURE BALANCE MIXING VALVE

Connect Hose and Hand Spray

* In the off-position, the hand spray must be to the right of 12 o'clock to ensure close position.

**9HBD15****REMOVAL OF FIXTURE:**

Always turn the water supply off before removing the existing fixture or disassembling a valve. Open all handles to relieve water pressure and to ensure that the water has been successfully turned off.

CARE OF FIXTURE:

The use of warm water and a soft cloth is all that is required to clean Rubinet products. The patina of our living finishes (Oil Rubbed Bronze & Tuscan Brass) will change as a result of normal use. Applying Mineral Oil on occasion will create a softer look, subtle color changes and character.

CONTACT US:
