### General

|                           |                    |
|---------------------------|--------------------|
| Status                    | Active             |
| Fixture Type              | Exit Sign          |
| Finish                    | White              |
| Wattage                   | 2.8W               |
| IP Rating                 | IP65               |
| Indoor or Outdoor Fixture | Indoor and Outdoor |

### Specifications

|                       |                             |
|-----------------------|-----------------------------|
| Technology            | LED                         |
| Voltage               | 120V/347V                   |
| Operating Temperature | -25C (-13F) to +50C (+122F) |
| Dimmable              | Non-Dimmable                |
| Weight (lb.)          | 4.25                        |
| Material              | Thermoplastic               |

### Compliance

|                            |               |
|----------------------------|---------------|
| Safety Listing             | CSAus         |
| Location Rating            | Wet           |
| California Status          | Non-Compliant |
| Title 20 / 24 Status       | Non-Compliant |
| California Prop 65         | Lead          |
| RoHS Compliant             | Yes           |
| Canadian Standard ICES-005 | Class B       |
| SDS Sheet                  | LED_Fixture   |

### Additional Information

|                        |                                                                  |
|------------------------|------------------------------------------------------------------|
| Additional Information | Low Temperature Model                                            |
| Specification Note     | Ni-Cad Battery; 120 minute discharge time; 24 Hour Recharge Time |
| Warranty               | 2-Years                                                          |
