

RENAISSANCE NOUVEAU RN3861

Complex, bold, and richly detailed, Renaissance is inspired by the glorious opulence of baroque chandeliers and is an homage to the 17th century court of Louis XIV of France. Its open laser-cut frame features lyre patterns and bouquet-shaped bobeches topped with Bohemian crystal spikes. With large Heritage Crystal pendants creating remarkable sparkle, Renaissance provides a magnificent focal point for an entry hall or formal dining room. It is also particularly impactful as a traditional contrast piece in a contemporary home.
