- Available in sizes to fit 36" and 38" Sterling Neo-Angle bases

Features

Adjustment block system

Tempered glass

Easy-to clean threshold

Easy to install

Bridge members

Full-length handle

Stainless steel hardware

Benefits

Out-of-plumb conditions are corrected by simply turning the adjustment block screw.

Tempered glass offers maximum safety and durability.

Bottom threshold directs water back into stall and minimizes soap or lint build up.

Quick and easy to install—no track cutting required.

Connects fixed panels to secure the enclosure.

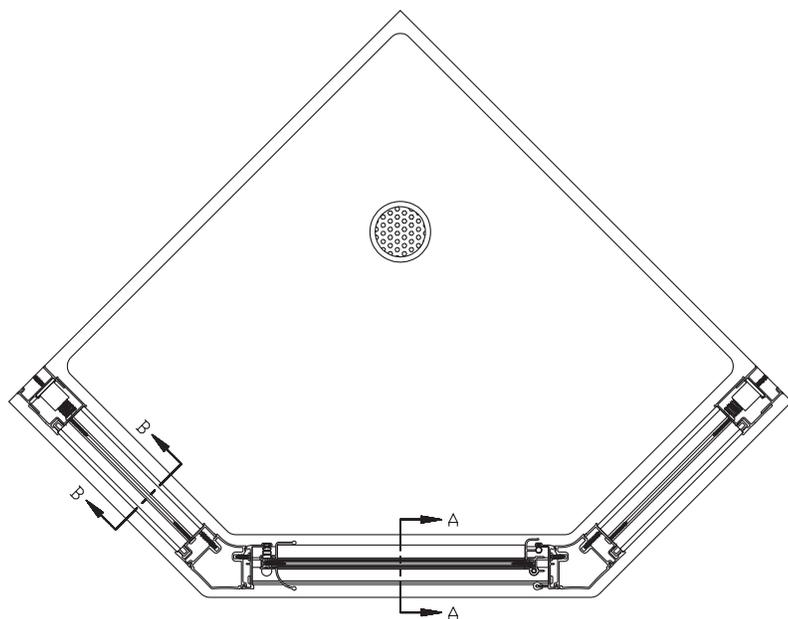

Full-length door handle allows for easy use by adults or children.

Prevents fasteners from rusting or corroding in a damp environment.
