

Installation Instructions

Important: Please read these instructions before starting work.

1. Check that there are no buried pipes or cables before drilling and holes. Take extreme care when using electrical equipment near water.
2. Do not fix accessories onto newly painted surfaces as chemical reactions could cause discoloration to the products. (Please refer to the manufactures instructions.)
3. We recommend the use of a specialized drill bit when fixing accessories to tiled areas.

Supplied Mounting hardware:

Plastic mirror protector, decorative caps, mounting screws and wall plugs.

Mounting Instructions:

1. Establish the position for the accessories, making sure there is sufficient room.
2. Hold the mirror in required position onto the wall and mark through with a pencil. Measure the distance between the two holes, ensuring the marks are horizontal by use of a carpenter's level.
3. Drill holes to a depth of 1" inch using a ¼" inch drill bit and insert the wall plugs so they are flush with the wall.
4. Fix the mounting screw to the wall by threading the supplied screws into the wall plugs, Place the plastic mirror protector into the mirror mounting hole. Thread the decorative caps through the decorative ring then through the mirror mounting hole and tighten.

Care Instructions:

We recommend regular cleaning with a mild soap and dried with a soft cloth. The use of abrasive cleaners or bleaches will damage the finish.
