

The creation of Valley's OPES freestanding bath was influenced by the compact, deep 'Ofuro' soakers traditionally introduced in Japan. Culturally, these are meant to be an oasis of relaxation and this is exactly what the Opes offers. An integral seat creates a comfortable and peaceful bathing experience.

DESCRIPTION:

- Japanese style Freestanding Bathtub
- Integral slotted overflow & pop up drain included
- Yin Yang style seat
- Center Drain
- High gloss / Crack-resistant acrylic
- Complies with CSA & IAPMO standards
