

A modern, multi-arm pendant light fixture. It features a central black metal canopy with five curved arms extending outwards. Each arm is suspended by a black cord and holds a frosted glass shade with a black metal cap. The shades are illuminated, casting a warm glow. The fixture is shown against a plain white background.

Technical drawing of the 'Pendant' light fixture, showing front and bottom views with dimensions.

Front View:

- Overall height: 25"–230"
- Width of the mounting plate: 8½"
