

# Adagio

## Bathroom Convection and Fan Heater

### Features

#### Color

- Standard: white.

#### Finish

- Standard: epoxy/polyester anti-rust powder coating resistant to UV rays.

#### Voltage

- 240V, 1-phase.

#### Construction

- Steel cabinet featuring rounded corners and splash-proof construction for safe installation in the bathroom. **1**
- Bottom opening directs the warm air towards the centre of the room in fan-forced mode.
- High-limit temperature control with automatic reset for the convection mode.
- High-limit temperature control with main power interruption reset for the fan-forced mode.
- Three fixed towel bars included.

**Note: This heater is not designed as a towel warmer.**

#### Fan

- Quiet squirrel-cage fan. **2**
- Factory-lubricated motor.

#### Heating element

- X-shaped, monoblock element made of surface-treated extruded aluminum for the convection mode.
- Nickel-chromium alloy stitched wire, providing instant heat in fan-forced mode.

#### Control

- Built-in electronic proportional-action digital thermostat, located on the front panel, for regulated heating. **3**
- Electronic timer, 5-90 minutes, with indicator light, for accelerated heating.
- LCD backlit display with digital controls lockable by key combination.
- Temperature display format (°C or °F).
- "On-Off" button with indicator light.
- "24-hr" button with indicator light stores the "Chrono" mode setting, for daily bathroom preheating.
- Heating indicator light.

#### Installation

- Quick surface-mounted installation, with the included wall mounting bracket, that also serves as marking template.
- Flexible cable with electrical wall box cover plate included.
- Requires installation of a wall electrical box not supplied.

#### Warranty

- 2-year warranty against defects.
- 5-year warranty on the heating element.

#### Application

- Bathroom.

The Adagio combines the silent operation of convection heat with the power of a fan-forced heater. The 600W convection system is coupled to a timer that generates an additional 800W of fan-forced heat on demand.

Although the Adagio is not designed as a towel warmer, it includes three bars that can be used to hang face and hand towels.
